

## Celebration Ringers

Practice day is Wednesday @ 4 pm  
In the Choir Room  
[Email Dorothy Cowles to join!](#)

This group provides a brief introduction to ringing and reading music. They will combine with the more advanced Wesley Ringers this year due to numbers. It is for students, 3<sup>rd</sup> – 6<sup>th</sup> grades (and up to 8<sup>th</sup> grade in Wesleys), who would like to learn ensemble playing and how to master ringing techniques. They meet on Wednesdays from 4:00 to 5:00 pm and play regularly throughout the year at the 10:30 service. Students can join Celebration/Wesley Ringers any time during the year but are asked to make a commitment to attend all rehearsals (barring illness) so that the group can learn to play music together effectively. Come join the fun!

First they start learning with chimes.

Then they graduate to bells!

Then the Celebration Ringers are joined together with the Wesley Ringers.

What a wonderful sound!
