

# Instrumentalists

There are two different opportunities for children to share their talents instrumentally with the church. Accompaniment can be arranged with Mrs. Cowles.

1. The Pre-Pageant Recital is a hit every year! We most certainly want to do it again. The pageant is held in the Sanctuary so there is plenty of room for our instrumentalists and their families! Those students who are interested may put their names down during Pageant sign-ups, or add their names at any time during Pageant rehearsals. Holiday music is preferable but certainly not essential.
2. Every year we have a children's talent show called, "Sour Note Kids". Any and all talents are welcome – including our instrumentalists. (For more info see, "Sour Note Kids")
