Youth Praise, a choir for **6th-12th grade students** – (*6th grade students who wish to sing with this group MUST be in the SUMC Children's Choir as well.*) This group sings both contemporary music and choral anthems. They occasionally sing some songs with the CAYA Worship Team at the 9:00 contemporary service. They will sing two or three times in the fall/Advent, for Spaghetti Dinner, and for other services in the winter and spring. They do not meet every week – but only 2-3 times prior to an “event”. I keep communication up through frequent emails. I look forward to seeing ***all*** of you there!
