

A Resounding & Heartfelt Thank You!

Goes out to all who facilitated and attended the Ken Medema concert, "Songs for a Winter's Night", on January 21. The extraordinarily inspirational music and joy from that entire weekend will be felt at

SUMC for a long time to come. If you were unable to attend the concert, we are still accepting contributions to cover the "love" offering and basic expenses. Please make checks payable to SUMC and mark "concert" in the memo. In addition, complimentary DVDs of the concert and the church service are available by contacting Harley Bennett at harleybennett@cox.net; a free will donation will be happily accepted.

Thanks from Ken Medema

Upon receiving pictures of the service from Jim Ray, Ken had these words to SUMC: "Thank you so much for sending the pictures. It was a fabulous weekend. Thank you for giving us memories to keep and show our families. We appreciate your thoughtfulness. Thanks again, Ken and Bev."
